**Derivation.** The map was created by superimposing the Property as described in the Covenant atop the parcel boundaries provided by the Contra Costa County Assessor office. The superimposition showed the Property as encompassing two discrete areas of contiguous parcels including Parcel Nos. 560-280-011, 560-380-002, 560-380-008, 560-380-009, 560-380-010 and other non enumerated parcels. The derivation then gathered latitude and longitude points along the boundaries of the parcels encompassed by the Property. As shown, the Property divides into two areas identified for the purposes of this map as Area A and Area B. The latitude and longitude points of the two areas are provided in the WGS 84 data standard.

**Limitations:** The map of the Property provided here, while derived from the legal description provided in the Covenant and County Assessor-provided parcel information, is for information and convenience only and is not intended to replace or supersede the legal description or other descriptions of the Property provided in the Covenant nor the parcel boundaries provided by the County Assessor.
